Career Objective

Motivated IT student with a growing passion for front-end development and web design. Eager to apply my skills and creativity in real-world projects while continuously learning and evolving in the tech industry. Seeking internship or entry-level opportunities to contribute to a team and gain hands-on experience in software development.

Education

Cordova Public College

Bachelor of Science in Information Technology

2024 – Present

Abellana National School

High School Diploma

2017 – 2021

City Central Elementary School

Elementary Education

2011 – 2017

Work Experience

Currently no formal work experience — focused on academic learning and building personal projects.

Projects

NikeHub

A product-themed web page inspired by Nike, showcasing basic e-commerce layout and interactivity.

Tools Used: HTML, CSS, JavaScript

Role: Frontend Developer (Sole Developer)

Personal Portfolio Website

A responsive website that showcases my background, skills, and sample projects. Built to demonstrate

my growing knowledge in web development and serve as a platform to share future work.

Tools Used: HTML, CSS

Role: Frontend Developer (Sole Developer)
